Sequence logo for the motif IKFYDNL EIAIQINKNDKININ. The logo shows the conservation of each amino acid position. The sequence is displayed in two rows: IKFYDNL EIAIQINKNDKININ and IKFYDNL EIAIQINKNDKININ. Below the sequence, a red bar indicates the conservation score for each position, with the highest scores at positions 1, 2, 3, 4, 5, 6, 10, 11, 12, 13, 14, 15, and 16.
